# Pacific Granites

India Private Limited

“Established In 1995,

Pacific Group Has Come A Long

Way In The International Stone Industry.

With Customer Satisfaction, Competitive Pricing and High Quality Standards as its values, PACIFIC GRANITES INDIA Pvt. Ltd. was established in the year 2010. And with strict adherence to the same, the company today is amongst the top manufacturers and exporters of Granites from India and is poised to emerge as a force to reckon in the International Stone Industry.

Our state of the art facility at Hosur, Tamilnadu is equipped with the best in the business Gaspari Gangsaws and Polishing machines.

Our products include all kinds of Indian Marble, Granite, Sand Stones and Limestone.

We export more than 75 Indian Granite Colors and also Imported Granite Colors from countries like Norway, Ukraine and Madagascar. We also add character to all our colors with different finishes like Leather, Lapathura, Honed, Flamed and River wash.

Our stones are exported to USA, Canada, Mexico, UK, Poland, Ireland, Germany, Bulgaria, Middle East, New Zealand and many more countries.

Continuous Learning and Improvement in every stage of growth has enabled us maximize efficiency and the quality of our workmanship. Constructive feedback mechanism is another unique practice followed by us which helps in upgrading the product and processes to suit the needs of the client thus gaining excellent credibility among them.
